

RESIDENTIAL RENTAL AGREEMENT

This document is entirely fictional and is intended only for a book demonstration. It is not legal advice and should not be used as a real lease.

Landlord Example Property Group LLC	Tenant Jordan Lee
Premises Apartment 4B, 123 Example Street Harbor City, CA 90000	Lease term September 1, 2026 to August 31, 2027

1. Rent and due date

Tenant will pay monthly rent of \$1,850 on or before the first calendar day of each month. Rent must be paid through the landlord's online payment portal. A late fee of \$75 applies if the full amount is not received by 5:00 p.m. on the fifth calendar day. Returned payments incur a \$35 fee.

2. Security deposit

Tenant will pay a security deposit of \$1,850 before receiving keys. The deposit may be used for unpaid rent, damage beyond ordinary wear, missing property, or cleaning needed to restore the premises to the condition shown in the move-in checklist. The balance and an itemized statement will be returned as required by applicable law.

3. Utilities and services

Tenant is responsible for electricity, gas, internet, and cable service. Landlord will pay for water, sewer, and regular trash collection. Tenant must place all tenant-paid accounts in Tenant's name within three business days after the lease begins and keep them active through the move-out date.

4. Occupancy and guests

Only Jordan Lee may live at the premises. Guests may stay for no more than four nights in any calendar month unless Tenant first obtains the Landlord's written consent. Landlord may charge \$40 for each unauthorized guest night. Tenant is responsible for the conduct of all guests.

5. Maintenance and reporting

Tenant will keep the premises reasonably clean, dispose of waste properly, use fixtures and appliances carefully, and promptly report leaks, pests, unsafe conditions, or damage. Tenant may not make repairs, paint, install fixtures, or change locks without written permission. Tenant must replace ordinary light bulbs and HVAC filters when needed.

6. Repair cost allocation

Tenant will pay the first \$150 of every appliance repair, including repairs caused by ordinary use or equipment failure, unless the appliance is covered by the manufacturer's warranty. Tenant remains fully responsible for damage caused by Tenant, occupants, or guests.

7. Renter's insurance

Tenant must maintain renter's insurance throughout the lease with at least \$100,000 in personal liability coverage. Proof of coverage is due before move-in and whenever the policy renews. Landlord's insurance does not cover Tenant's personal property.

ADDITIONAL TERMS AND SIGNATURES

The numbered sections below continue the fictional agreement on page 1.

8. Pets and animals

No pet may be kept at the premises without written approval. An approved pet requires a \$300 additional deposit and \$35 monthly pet rent. This section does not limit rights concerning service animals or other assistance animals under applicable law.

9. Landlord access

Landlord may enter the premises after giving at least 12 hours' notice to inspect, make repairs, provide agreed services, or show the unit to prospective tenants or buyers. No advance notice is required in an emergency or when Landlord reasonably believes the premises have been abandoned.

10. Carpet care

In addition to routine cleaning, Tenant must hire a professional carpet-cleaning company every three months and email the paid receipt to Landlord within five days after each service. Failure to provide a receipt permits Landlord to arrange service and add the cost plus a \$50 administration fee to the next month's rent.

11. Noise, smoking, and conduct

Tenant and guests must not disturb neighbors or engage in unlawful activity. Quiet hours are 10:00 p.m. to 7:00 a.m. Smoking and vaping are prohibited inside the premises and within 20 feet of building entrances, windows, and shared outdoor areas.

12. Move-out duties and cleaning charge

At move-out, Tenant must remove all belongings and trash, return every key, provide a forwarding address, and leave the premises broom-clean. Tenant will also pay a mandatory \$450 move-out cleaning charge regardless of the condition of the premises. This charge is separate from deductions for damage.

13. Renewal and rent change

This lease ends on August 31, 2027 unless the parties sign a renewal. If Tenant remains with Landlord's consent, the tenancy becomes month-to-month and the monthly rent automatically increases by 12 percent, subject to any limits imposed by applicable law.

14. Notices and entire agreement

Notices must be delivered personally, by trackable mail, or by email when receipt is acknowledged. This agreement and the move-in checklist contain the complete agreement. Changes must be in writing and signed by both parties. If one term is unenforceable, the remaining terms continue in effect.
